Leaving St George, we pass by Nindigully and it may be a little early for a drink, but we will have a look at the **Nindigully Pub**, that is known as Queensland's oldest pub. In Goondiwindi we stop for an early lunch at the Victoria Hotel, then this afternoon we arrive into little town of **Texas**. It's a small town of less than 1000 people located just 2 kms north of the NSW Border. On arrival we visit the **Texas Rabbit Works**, this was a thriving industry when rabbits were in plague proportions throughout the district. Like many communities in the southern parts of Australia, the Texas community survived the great depression by trapping and selling rabbits for export to America and England. Officially opened in May 2017, The Texas Rabbit Works continues to record the history of the rabbit industry both locally and nationally. This is largely an intact example of the struggle to control the rabbit plague and the industry that developed. From Texas we head to Tenterfield for our final night of the tour.

(breakfast and dinner in hotel/lunch at Victoria Hotel)
Best Western Henry Parkes Motor Inn, Tenterfield (02 67361066)

DAY 10: HEADING HOME Sunday 16 May 2021 (B,L)

Early morning the train leaves the coast and travels via **Blackwater, Emerald** and **Anakie**. The daylight journey will allow us to enjoy the magical colours and landscape of Outback Queensland as the train snakes its way across the top of the **Drummond Range**. In **Barcardine** we have a short break to look at the **Tree of Knowledge** before the last leg of the journey into **Longreach**. On arrival in Longreach our coach will meet us and from here we have a short transfer to our hotel where we settle into our rooms before dinner together.

(Breakfast & lunch on Spirit of the Outback / dinner in hotel)
Albert Park Motor Inn, Longreach (1800 026370)

DAY 4: OUTBACK LOCALS (B,L,D) **Monday 10 May 2020**

Today we uncover some national treasures, as we will be visiting the **QANTAS Founders Museum**. The Museum tells the story of Qantas from the early days in Outback Queensland to present day. Displays focus on the founding figures of Qantas, life in Outback Queensland in the 1920s and the advancement and impact of aviation in Australia and the world. Included in our visit is a tour of the **Boeing 747, 707** and **DC-3** aircraft showing you features such as the Lavatory Service Hatch, Traffic Collision Avoidance System, Flight Recorders (the Black Box) and many other systems, all explained in layman's term. Next, we step back in time at the **Outback Pioneers Station Store** and experience the **Harry Redford Old Time Tent Show** with our Billy Can lunch. Based on the traditional outback travelling shows, it's hard not to be charmed by the simple delights of bush theatre. The Harry Redford Old Time Tent Show tells a fictional story set in the time of Harry Redford (Captain Starlight) and refers to his infamous adventures. Take some time to look through the local shops before we return to our hotel. Late afternoon we have a short transfer to the iconic **Australian Stockman's Hall of Fame** to experience **A Night at the Museum**. We take in the Outback Stockman Live Show that encompasses the modern-day aspects of being a stockman, as well as telling the tales of what it used to be like in the past. We have time to look through the museum and see a special cinematic presentation, as well as enjoy a special Pie Floater dinner in the new restaurant. *(Breakfast in hotel / Billycan Lunch, dinner at Stockmans Hall of Fame)*
Albert Park Motor Inn, Longreach (1800 026370)

DAY 5: LONGREACH—Tues 11 May 2021 (B,D)

We have a fantastic day planned starting with a visit to Strathmore Station. This morning we join the local graziers on a **tour** of the property and learn about local land types, pastoral practices and the highs and lows of growing up on the land. We enjoy **morning tea** and a yarn at the homestead and experience the tranquil surrounds of the gardens. This will be a great insight into Station life. Tonight, we enjoy a sunset cruise and dinner on the banks of the **Thomson River**. Relax on the top deck of the **Longreach Explorer** and take in 360 degree views of the Thomson River. Enjoy entertaining and informative commentary detailing river and cultural stories. Unwind with complimentary nibbles platters and purchase drinks from the licensed onboard cash bar. As the sunset fades into starlight, we dock at **Smithy's Outback Dinner & Show** for a night of great food and live entertainment under the stars. It will be a fantastic night. *(Breakfast in the motel, lunch at own expense, Smithy's Outback Dinner Show Albert Park Motor Inn, Longreach (1800 026370))*

DAY 6: WINTON TOURING (B,L,D) Wednesday 12 May 2021

We will see some dramatic and ever-changing scenery as we make our way to **Winton**. The area was once home to dinosaurs and is full of ground breaking scientific discoveries and archaeological digs. Today we will have the opportunity to learn about this prehistoric phenomenon. **The Australian Age of Dinosaurs** is located on top of the “jump up” – a rugged mesa plateau formation that stands 75 meters above the surrounding plains. The centre hosts the largest collection of Australian dinosaur fossils and the largest fossil preparation laboratory in the southern hemisphere. It was in the Winton area that Banjo Paterson wrote his famous poem about the swagman and the jolly jumbuck and **“Waltzing Matilda”**. It was first heard in the **North Gregory Hotel!** On arrival in town we head straight to the **Waltzing Matilda Centre** for lunch and time to look through the museum. Tragically, it was burnt to the ground in 2015 and luckily for us, it has re-opened and is now a world

class museum and art gallery with displays focusing on the Australian landscape, channel country, the women of the homesteads and livestock/wool industries of the outback. We return to Longreach late afternoon following a great day sightseeing in Winton.

*(Breakfast & dinner in hotel / lunch at Waltzing Matilda Centre)
Albert Park Motor Inn, Longreach (1800 026370)*

DAY 7: LONGREACH—CHARLEVILLE (B,D) Thursday 13 May 2021

We farewell Longreach this morning and turn south to begin our journey to **Charleville**. We travel through **Isisford**, a charming little settlement which has not changed significantly since the turn of the century. We break in **Blackall**, where the legendary gun shearer Jackie Howe set the almost unbelievable record of shearing 321 sheep with blade shears in a day. A bronze statue now stands as a monument to the man and the achievement. Late this afternoon, we arrive in Charleville and take an interesting tour of the town. We then uncover the Charleville mystery with a **Top-Secret World War II Tour**. With the help of our guide, we unlock the stories of the United States military base and how they lived when 3,500 personnel arrived in town. We enjoy dinner at our motel before a visit to the **Cosmos Centre**. There is nothing quite like travelling thousands of light years into space. The guides will build our knowledge on the formation of the stars and galaxies, reveal the beauty and meaning of coloured stars and the fascination of the planets and our moon. We will enjoy nibbles and drinks before the open-air observatory viewing of the outback night sky.

*(breakfast and dinner in hotel / lunch at own expense)
Waltzing Matilda Motel, Charleville (PH. 07 4654 1720)*

DAY 8: CHARLEVILLE TO ST. GEORGE (B,D) Friday 14 May 2021
